RE: *Washington Utils. and Transp. Comm'n v. PacifiCorp d/b/a Pacific Power and Light Company Refunding Uninvested Capital,*  
Docket UE-250086

TO ALL PARTIES:

On February 28, 2025, the Washington Utilities and Transportation Commission (Commission) issued Order 03 in Docket UE-250086 - a subsequent filing to Docket UE-230172 - requiring PacifiCorp d/b/a Pacific Power and Light Company (PacifiCorp or Company) to refund uninvested capital to ratepayers.

On March 7, 2025, PacifiCorp filed revised tariff sheets for Tariff WN U-76, refunding the revenue requirement differential of approximately \$64,000 associated with investment in the Foote Creek II-IV wind project in 2023. A residential customer with typical consumption of 1,200 kWh per month will see a bill decrease of \$0.02 per month.

On March 27, 2025, Commission staff (Staff) filed a letter in this docket stating that Staff reviewed the revised tariff sheets and believes the filing complies with the terms of Order 03.

The Commission confirms that the revised tariff sheets filed on March 7, 2025, by PacifiCorp comply with Order 03. The revised tariff sheets will become effective April 3, 2025.
