Announcement Date: September 1, 2005
Effective Date: October 1, 2005
Document Number: PROS.09.01.05.F.03204.Design_Chgs_Unbundld_Loop
Notification Category: Process Notification
Target Audience: CLECs
Subject: Billing for design changes on Unbundled Loop

Summary of Change:

Qwest will commence billing CLECs non-recurring charges for design changes to Unbundled Loop circuits. Among the charges for the design change that will be billed, the following activities will generate a non-recurring design change charge per occurrence:

- Connecting Facility Assignments (CFA) change
- Circuit Reference (CKR) change
- CKL 2 end user address change on a pending LSR
- Service Name (SN) change
- NC/NCI Code change on a pending LSR

Charges for the design change will be billed via Qwest's Customer Records Information System (CRIS) beginning October 1, 2005 and may appear as early as your October billing statement. These charges will be displayed as a separate line item with charges for other ancillary services that you are already being billed for by Qwest.

Design changes will be billed for non-recurring charges at the rate found in the miscellaneous elements of Exhibit A or the specific rate sheet in your Interconnection agreement.

If you have any questions or would like to discuss this notice please contact your Qwest Service Manager, Joshua Nielsen on (801) 239-5335. Qwest appreciates your business and we look forward to our continued relationship.

Sincerely,

Qwest Corporation

Note: In cases of conflict between the changes implemented through this notification and any CLEC interconnection agreement (whether based on the Qwest SGAT or not), the rates, terms and conditions of such interconnection agreement shall prevail as between Qwest and the CLEC party to such interconnection agreement.
