**NOTICE OF REQUEST FOR INFORMATION
(By Monday, November 29, 2004, by Noon)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and
Review of the Deaveraged Zone Rate Structure
Docket No. UT-023003

TO ALL THE PARTIES:

During the course of the hearing in this case, the Commission made a bench request of Verizon to produce the Turner Price Index. *Transcript 859*. Verizon then indicated that the Index was included in Verizon's workpapers, apparently in Exhibit 225. The Commission has located a form of the Index on CD No. 3. of 10 included in that exhibit. However, it is not in a usable format for purposes of the Commission's deliberations. The Commission now requests Verizon to provide a complete version of the Turner Price Index, or to advise the Commission where it may be found in Verizon's exhibits.

Verizon is requested to provide the Turner Price Index, or to advise the Commission and the parties of the location of the Index in Verizon's exhibits, as soon as possible, but no later than noon on Monday, November 29, 2004.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
