Re: Docket No. UT-023003

Dear Ms. Washburn:

I am writing on behalf of Verizon Northwest Inc. ("Verizon NW") in response to Judge Mace's Notice, dated November 24, 2004, seeking the Turner Price Indexes. As Verizon NW's witness, Mr. Jones, explained at the hearings, those indexes are located in Verizon NW's workpapers. Following the hearings, the Commission published a list of outstanding bench requests, and a bench request for the Turner Price Indexes was not included in this list. Verizon NW therefore assumed that the Commission had located the indexes within the workpapers. The indexes are listed more than once in the workpapers, but can most easily be reviewed in Verizon NW's direct case filing on CD No. 2, in the file: 6. Factors Support Files / Expense Factor & Loading / Washington 2001 UNE Expense Factor and Loading Documentation.pdf, on Workpaper 3.1.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

Robert Strayer
