Dear Ms. Washburn:

Subject: **Verizon Northwest Inc.**  
**Docket No. UT-040788**

On April 30, 2004 Verizon Northwest Inc. (Verizon NW) filed a confidential version and a redacted version of the direct testimony of Michael J. Doane in Docket No. UT-040788. The confidential version did not have the "C" designation after Exhibit No. MJD-1T. The confidential version is printed on yellow paper and is clearly designated as a "Confidential Version". Rather than re-file another 15 copies with the Commission, Verizon NW proposes that a copy of this letter be provided to all recipients of the original "Confidential Version," and Verizon NW will request that this version be marked with a "C" at the prehearing conference that will be scheduled for the pre-marking of exhibits. We have enclosed fifteen (15) copies of this letter for this purpose, as well as an original and fifteen (15) copies of Mr. Doane's curriculum vitae marked as Exhibit No. MJD-2. It was inadvertently excluded from his direct testimony. We are also enclosing fifteen (15) copies of a new Page 2 of Exhibit No. MJD-1T. Lines 12 and 13, which refer to Mr. Doane's curriculum vitae as Exhibit One have been corrected to read as Exhibit No. MJD-2.

If you would prefer that Verizon NW re-file a complete set of Mr. Doane's "Confidential Version" to reflect the "C" marking, Verizon NW will be happy to do so. Please contact me at 972.718.3504 and we will make the necessary arrangements. Thank you for your courtesy and cooperation.

Very truly yours,

Gregg E. Diamond
