*I* Pursuant to WAC 480-07-375, the Alliance of Western Energy Consumers files this Motion (“Motion”) to File a Limited Response to Public Counsel’s Post-Hearing Brief (“Response”) in the above-referenced dockets. Good cause exists to accept AWEC’s Response because, as discussed more thoroughly in the Response, the Response clarifies the evidentiary record on a narrow issue associated with rate spread, which will ensure an accurate final order. AWEC has conferred with Public Counsel on its Response and is authorized to represent that Public Counsel does not oppose AWEC’s Motion.

Dated this 12th day of November 2024.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
