COMMISSION

Dear Ms. Washburn:

Attached are the December payments for the Performance Assurance Plan (“PAP”) based upon October 2005 performance. In addition to the October Performance, Qwest re-ran the PAP for the following reasons:

- ❖ Reran the data from May 2005 forward to correct an error in PAP calculations for BI-1A.
- ❖ Reran the data from April 2005 forward to include a CLEC in the calculations.

Summary of Changes for Washington (for detailed information see attached spreadsheet).

- CLECs in Washington were underpaid in previous months by \$2,564
- CLECs in Washington received \$57 in interest payments
- All payments, October performance results and the rerun results are summarized in pages 1 & 2 of the attached spreadsheet.

If you have any questions, please feel free to call me at 503-242-5089.

Sincerely,

A handwritten signature in black ink that reads "Ron L. Trullinger". The signature is written in a cursive, flowing style.
