

[Service Date December 10, 2004]

December 10, 2004

**NOTICE OF ISSUANCE OF BENCH REQUEST NOS. 24 AND 25
(Responses due on or before December 22, 2004)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and
Review of the Deaveraged Zone Rate Structure
Docket No. UT-023003

TO ALL PARTIES:

The Commission issues the following Bench Request No. 24 to AT&T:

Please provide detailed step-by-step instructions explaining how to map the output from the cost model(s) AT&T has sponsored in this proceeding to each UNE rate element for which AT&T has provided a cost estimate.

The Commission issues the following Bench Request No. 25 to Verizon:

Please provide detailed step-by-step instructions explaining how to map the output from the cost model(s) Verizon has sponsored in this proceeding to each UNE rate element for which Verizon has provided a cost estimate.

Please provide responses to these requests on or before December 22, 2004.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
