Public Counsel Data Request 189

PacifiCorp's Response to Public Counsel Data Request Nos. 184 and 185.

In its response to Public Counsel Data Request No. 184, PacifiCorp states the following: "All REC sales contracts applicable to resources in ratebase in Washington have been provided previously." In response to Public Counsel Data Request No. 185, which asked for all "additional contracts not provided in Data Request No. 184 for any reason," PacifiCorp stated that "[t]here are no additional contracts."

With these statements in mind, please confirm whether PacifiCorp has provided all REC contracts entered into by the Company during or after CY 2009, regardless of whether the resource to which they apply is included in Washington rate base. In other words, please confirm whether there are contracts not provided that the Company believes are related only to jurisdictions not relevant to this proceeding.
