

1 (“DOJ”) and to the U.S. Federal Trade Commission (“FTC”) on several matters involving  
2 competitive issues in the context of horizontal and vertical mergers and in the assessment  
3 of such business practices as tying and bundling. I have also served as a consultant to the  
4 DOJ in the *Microsoft* antitrust case, both in the antitrust liability phase and in the Tunney  
5 Act Proceeding, during which the public interest aspects of the proposed antitrust remedy  
6 were considered.

7  
8 Prior to joining KeyPoint Consulting, I was Vice President and Principal of Analysis  
9 Group/Economics, where I managed the firm’s San Francisco office and directed the  
10 firm’s energy and telecommunications practice areas. I received a M.A. degree in  
11 applied economics from the University of California at Santa Barbara, and my B.A. in  
12 economics is from the University of Connecticut. A copy of my *curriculum vitae* is  
13 attached as Exhibit **One No. MJD-2**.

14  
15 **Q. HAVE YOU PREVIOUSLY TESTIFIED BEFORE STATE OR FEDERAL**  
16 **REGULATORY COMMISSIONS?**

17 A. Yes. I have presented testimony on telecommunications pricing issues in sixteen states. I  
18 have also submitted prepared testimony on regulatory issues associated with the gas pipeline  
19 and electric power industries before the Federal Energy Regulatory Commission.

20  
21 **Q. WHAT IS THE PURPOSE OF YOUR TESTIMONY IN THIS PROCEEDING?**

22 A. I have been asked to comment on the economic issues raised by the past practice of the  
23 Washington Utilities and Transportation Commission (“WUTC” or the “Commission”)
