**NOTICE OF CHANGE IN PROCEDURAL SCHEDULE**

RE: *Level 3 Communications, LLC v. Qwest Corporation*  
Docket No. UT-053039

TO ALL PARTIES:

**The commission stays the procedural schedule in this proceeding until the date it enters an order on Level 3's Petition for Interlocutory Review.** The commission will enter an order on Level 3's petition on or before February 10, 2006. After entering an order, the commission will schedule a conference to discuss a new procedural schedule.

On December 1, 2005, counsel for Level 3 informed the commission that the parties have not resolved the issues in dispute through settlement discussions. Level 3 asks the commission enter an order on the pending Petition for Interlocutory Review. Level 3 proposes the procedural schedule start again once the commission enters its order, with direct testimony due 10 days after the schedule resumes. Level 3's proposal is not appropriate. Once the commission enters its order, the commission will hold a conference to allow the parties to discuss a new schedule.

Sincerely,

CAROLE J. WASHBURN
