Dear Penny,

On July 31 I sent you a request for clarification on Commissioner Sidran's Comment letter. On Aug. 4, 2006, a notice of opportunity to submit comments regarding the CR-102 scheduled for hearing in September under this docket was issued. In order to provide any meaningful comments we will need the clarifications previously requested and a final draft of the proposed WAC 480-30 which is the subject of this CR-102.

We are over loaded with all of the reviews of code currently underway as well as trying to continue to provide our customers with premium service during this time of heightened security; therefore, please respond at your earliest convenience so that we may have the maximum time permitted to respond during the comment period.

Thank you,

Mike Lauver.
