RE: *In the Matter of the Response to the COVID-19 Pandemic*
Dockets U-200281

TO ALL PARTIES:

On May 18, 2021, the Washington Utilities and Transportation Commission (Commission) entered Order 03 Related to the Suspension of Disconnection of Energy Services for Nonpayment and Adopting Related Requirements (Order 03) in the above-referenced docket.

On May 28, 2021, the Public Counsel Unit of the Attorney General Office (Public Counsel) filed with the Commission a Petition for Reconsideration of Order 03 and a Petition for Stay (Petitions).

Washington Administrative Code (WAC) 480-07-850(1)(c) provides that no party may file a response to a petition for reconsideration unless the Commission authorizes a response in a notice establishing the deadline for submitting responses, which may also establish the date by which the commission intends to enter an order resolving the petition.¹

¹ WAC 480-07-860(2) similarly provides that no party may file a response to a petition for stay unless the Commission authorizes a response in a notice establishing the deadline for filing responses, which may also establish the date by which the commission intends to enter an order resolving the petition.

Accordingly, the Commission hereby authorizes parties to respond to the Petitions by June 25, 2021, at 5 p.m. and establishes June 30, 2021, as the date by which the Commission intends to enter an order resolving the Petitions.

THE COMMISSION GIVES NOTICE That parties must file any response to Public Counsel's Petition for Reconsideration and Petition for Stay by 5 p.m. on Friday, June 25, 2021.

THE COMMISSION GIVES FURTHER NOTICE That the Commission will enter an order resolving the Petition for Reconsideration and Petition for Stay by June 30, 2021.

Sincerely,

MARK L. JOHNSON
Executive Director and Secretary
