NOTICE REGARDING CENSE'S NOTICE OF WITHDRAWAL

RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy*,
Dockets UE-220066, UG-220067, and UG-210918 (*Consolidated*)

TO ALL PARTIES:

On January 31, 2022, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-60, Tariff G, Electric Service, and its currently effective Tariff WN U-2, Natural Gas. The Company characterizes this filing as a general rate case (GRC).

As relevant here, on June 28, 2022, the Coalition of Eastside Neighbors for Sensible Energy (CENSE) filed a Notice of Withdrawal of Representative (Notice of Withdrawal). In this notice, Representative Don M. Marsh states that he is withdrawing as a representative for CENSE. Marsh writes that, "I also withdraw my Confidentiality Agreement dated June 14, 2022."

As the Commission explained in its earlier Notice Acknowledging CENSE's Withdrawal of Representative, issued on June 23, 2022, the Commission does not anticipate issuing an order approving any request to withdraw a representative.

However, by this Notice, the Commission clarifies that Marsh remains bound by the terms of Order 02, Protective Order with Provisions Governing Highly Confidential Information, entered in this docket on February 10, 2022. Although Marsh has withdrawn as a representative and should not receive further confidential information in this proceeding, Marsh signed the protective order as an officer/party representative on June 14, 2022, and the signature page was filed in this docket on June 23, 2022. Marsh is still required to follow the protective order's requirements for any information received to date. While it may not have been Marsh's intent to

suggest otherwise, the Commission issues this Notice in the interests of clarifying any ambiguity created by CENSE's Withdrawal of Representative.

THE COMMISSION GIVES NOTICE THAT the Don M. Marsh's signed confidentiality agreement, filed on June 23, 2022, in this docket, remains valid and in effect.
