Re: Costing and Pricing Proceeding, Docket No. UT-003013 Part B

Dear Ms. Washburn:

AT&T Communications of the Pacific Northwest, Inc. ("AT&T"), respectfully requests an extension of the deadline for filing responses to petitions for reconsideration of the Commission's 32nd Supplemental Order in the above-referenced proceeding. Verizon Northwest Inc. in its petition has raised the issue of the impact of the D.C. Circuit's decision in *USTA v. FCC*, and AT&T and other interested parties will be providing comments on that issue to the FCC on July 17, 2002, in CC Docket Nos. 01-338, 96-98 & 98-147. In order to coordinate and provide the Commission with the full benefit of its comments to the FCC, AT&T requests that the Commission extend by two days the deadline for responding to reconsideration petitions to July 18, 2002. I have consulted with the other parties to this docket, and there are no objections to AT&T's request.

Very truly yours,

Davis Wright Tremaine LLP
