Please note the following items that are contained in this Compliance Filing:

calculation. The Company has included the Colstrip Schedule 99 rates that were allowed to go into effect subject to refund on January 1, 2025 per Order 01 in Docket UE-240891. In that docket the Company detailed its intent to include Schedule 99 in the decoupling base in compliance with the Commission's Order in Docket UE-220053.¹

Consistent with prior general rate cases, the Company will make a separate compliance filing by November 1, 2025 to reflect the approved Rate Year 2 rates and decoupling baseline that will become effective January 1, 2026.

Please direct any questions related to decoupling and tariffs (Attachments 1-4) to Marcus Garbarino at 509.495.2567 or Joe Miller at 509.495.4546. Please direct any ERM base questions (Attachment 5) to Liz Andrews at 509.495.8601.
