Dear Mr. Danner:

Pursuant to the Order Requiring Reporting in Docket No. UE-021250, this filing is Puget Sound Energy’s annual report of activities under Schedule 93, Voluntary Load Curtailment Rider.

Market conditions in the reporting period, October 1, 2008, through September 30, 2009, have not been favorable for exercising the voluntary load curtailment process under Schedule 93. Therefore, there is no activity to report in this annual report.

Please contact Lynn Logen at (425) 462-3872 for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,
