BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

In the Matter of the Petition by Qwest Corporation to Modify its SGAT

Docket No. UT-033041

QWEST CORPORATION'S NOTICE OF SECOND AMENDED EXHIBIT B TO STATEMENT OF GENERALLY AVAILABLE TERMS AND CONDITIONS

Qwest Corporation ("Qwest") submits this Notice of Second Amended Exhibit B to the Statement of Generally Available Terms and Conditions ("SGAT"), along with red-lined and "clean" replacement pages to the previously filed Exhibit B. Through an administrative oversight, the version of PO-16 of the Performance Indicator Definitions ("PIDs") that was previously filed omitted some of the intended red-lined changes and was not correct. The present filing provides the correct version of PO-16.

Qwest respectfully requests that this Second Amended (corrected) Exhibit B be substituted for the Exhibit B that is currently pending and be allowed to go into effect pursuant to the earlier filing in this docket. Qwest further requests that the Commission deem this corrected Exhibit B to modify the SGAT and existing interconnection agreements that currently contain the PIDs as an exhibit.

Dated this ____ day of November, 2003.
