To whom it may concern,

We are requesting the continuation of a fuel surcharge to our passenger fares, but at an adjusted rate to reflect the cost of fuel at this time. We will not have another shipment of fuel before your next meeting date of March 16, 2005.

Enclosed you will find:

1. Special Fuel Surcharge Supplement No. 11, replacing Supplement No. 10
2. 2004 Boat Fuel Surcharge Calculation Sheet – Bob Colbo assisted us in preparing this statement.
3. L.S.N. request to waive statutory requirements giving us permission to begin the fuel surcharge on 3/16/05.
4. A copy of our most recent bulk fuel purchase has been faxed to you.

We respectfully request your approval of these changes to our tariff 63. If additional information is needed, please contact Cindy Engstrom at 509-682-2012. Thank you for your consideration.

Sincerely,
Jack D. Raines
