Subject: **Completion of Work Funded by GCPF Grant**

On April 13, 2005, the Commission awarded a Grade Crossing Protective Fund Grant of \$15,000 to the Puget Sound and Pacific Railroad (PSAP) in Docket TR-050523. Use of the funds was limited to installing shoulder-mounted flashing light signals at the Ontario Street grade crossing, identified as USDOT 808716P.

On May 23, 2005, PSDAP submitted a request for reimbursement for work pursuant to the Commission Order in TR-050523. Commission Staff verified that the project was completed according to the conditions of the order approving the grant.

The attached expenditure summary indicates that the total cost of the installations is \$21,261. The Order in TR-050523, however, states: "expenditure from the Grade Crossing Protective Fund must not exceed \$15,000." Accordingly, PSAP should be reimbursed a total amount of \$15,000 granted in TR-050523.
