Subject: Transmittal of Fuel Surcharge Supporting Documents
d/b/a WHIDBEY-SEATAC SHUTTLE Certificate Number C-1077

Mr. Colbo:

The following documents are included.

1. Skagit Farmers Supply invoice as a PDF file by email
2. Fuel Surcharge calculation sheet by email.
3. Fuel Surcharge LSN form by email.
4. Fuel Surcharge Supplement by email.

Enclosed is the filing for Special Fuel Surcharge #15, effective May 1, 2005, to our Tariff No. 2 replacing Special Fuel Surcharge #14 expiring on April 30, 2005.

We are again showing the average number of passengers for the previous 12 months as 879 and not the 974 that you required we use as part of our rate hearing. We feel it is appropriate to use the same 12 month period for ALL calculations as you did for all other rate and fuel surcharge calculations. We would like a decision by the Commission as to our opinion and if they do not agree then we would like approval of the surcharge based on the 974 number. Again, using either number does not change the surcharge amount in this specific case. However, we desire a decision by the Commission at this hearing for all future submissions.

Please insure this is on the calendar for the next open meeting.

Thank you very much.

Sincerely,

John J. Solin
President
