**Subject: Docket UT-053002, Late-filed Interconnection Agreement Amendment with Sprint Spectrum L.P.**

Dear Mr. Finnigan:

On January 19, 2006, M&L Enterprises filed a request for approval of an interconnection agreement amendment between M&L Enterprises and Sprint Spectrum L.P./Nextel Operations, Inc. in Docket UT-053002. The amendments are consent items scheduled for the Commission's open meeting on February 22, 2006.

Amendment Number 1 adds Nextel Operations, Inc to the existing Sprint Spectrum L.P. agreement. The purpose of this letter is to make note that Amendment Number 1 was filed 20 days late. The commission reserves the right to investigate, and if appropriate, commence a separate proceeding to complain, enforce, and penalize M&L Enterprises for failure to meet the filing requirements of Section 252 of the Telecommunications Act of 1996. WAC 480-07-640 (effective January 1, 2004) makes it clear that interconnection agreements are to be filed for approval within 30 days after the agreement is signed.
