Dear Ms. Washburn:

Enclosed for filing, pursuant to WAC 480-07-145(3)(a), are an original and twelve (12) copies of one attachment to the Application of Puget Sound Energy, Inc. ("PSE" or the "Company") for a Commission Order approving a Service Area Agreement ("Agreement") with the Port of Seattle ("Port") for which the Company is requesting confidential treatment in accordance with WAC 480-07-160.

This attachment (Attachment 1 to Exhibit A to the Agreement) is a list of PSE customers that are located within the Port's service area whose electric service will continue to be provided by PSE.

The Company requests that Attachment 1 to Exhibit A which is contained in an envelope marked "**CONFIDENTIAL PER WAC 480-07-160**," be treated as confidential under the provisions of WAC 480-07-160 as it contains customer specific information. As required by WAC 480-07-160(3), the Company identifies itself, its customers, and its shareholders as the entities that might be directly affected by disclosure of the confidential information. In accordance with WAC 480-07-160(3)(b), the documents noted above are marked "**CONFIDENTIAL PER WAC 480-07-160**". In accordance with WAC 480-07-160(3)(c) each page of the unredacted version containing confidential information has been printed on yellow paper.
