Completion of Work Funded by Grade Crossing Protective Fund (GCPF)

On July 27, 2006, the Washington Utilities and Transportation Commission (commission) awarded four GCPF grants to Central Washington Railroad in Dockets TR-060968, TR-060969, TR-060970, and TR-060971. Use of the funds was limited to upgrading lights, system batteries and motion sensors at four crossings in Yakima County.

On November 21, 2006, Central Washington Railroad submitted a request for reimbursement for work pursuant to commission order. Commission staff conducted a site visit and verified that the projects were completed according to the specification outlined in the orders approving the grants.

The attached expenditure summary indicates the total cost of the upgrades is \$48,620.34. The commission issued an advance payment of \$46,640 for the cost of the materials on August 8, 2006. Please issue a check to Central Washington Railroad in the amount of \$740 for the cost of labor.
