

Memorandum

June 12, 2007

To: TR-061273 - File

From: Kathy Hunter, Transportation Safety Compliance Manager

Subject: TR-061273 – Tacoma Rail GCPF Project

On October 4, 2006, the Washington Utilities and Transportation Commission (commission) awarded a GCPF grant of \$15,000 for upgrades to detection circuitry and warning signals at a railroad crossing, USDOT #085268H, located on Columbia Street in Olympia, Washington.

On May 3, 2007, Tacoma Rail submitted a request for reimbursement for work pursuant to commission order. Commission staff conducted a site visit in June 2007, and verified that the project was completed according to the specifications outlined in the order approving the grant.
