Federal Universal Service Fund charge decreased

Beginning June 30, 2007, the Federal Universal Service Fund (USF) surcharge decreased. The decrease in this surcharge reflects a decrease in the mandatory obligation of EMBARQ to contribute to the Federal USF. This federally-approved fund helps keep local phone service affordable for all people and gives a discount to schools, libraries and low-income families. You can find these updated charges in the "Taxes and surcharges" section of this bill.

We value you as a customer and look forward to continuing to serve your telecommunications needs. If you have questions, please contact the customer service number listed at the top of this page.

Telecommunications Relay Service tax rate increased

Beginning July 1, 2007, the Telecommunications Relay Service tax rate for the State of Washington increased from \$0.09 to \$0.12. This tax increase impacts your telephone bill.

Changes to EMBARQ long distance calling plans

On September 5, 2007 customers with EMBARQ Unlimited Long Distance, Personal Solutions with International, EMBARQ 120 with International and International II and III will have flat rate pricing of \$.13/minute on all calls to Mexico and calls to Cuba at \$1.25/minute. Complete country level pricing information is available at embarq.com/tariffs.
