Dear Mr. Martin:

Sanitary Disposal, Inc. has submitted, with the Washington Utilities and Transportation Commission, a proposed solid waste collection rate increase, which covers the Plymouth-Paterson portion of Benton County.

Please find enclosed a copy of our customer notice, our can/customer count and a copy of our transmittal letter submitted to the Washington Utilities and Transportation Commission.

If you have any questions regarding this increase, please telephone me at 1-866-567-8842.

Sincerely,

Mike Jewett
Manager
