RE: Application for Permanent Household Goods Carrier Permit
Docket No. TV-081724

Dear Mountain Movers, Inc.:

The Washington Utilities and Transportation Commission (UTC) received your application for household goods authority in the name of Mountain Movers, Inc.

According to WAC 480-15-390, you may not operate under a name that is similar to that of another carrier without that carrier's written permission or UTC approval. The UTC will not authorize use of a similar name if it will mislead the public or result in unfair or destructive competitive practices.

The UTC will not proceed with reviewing your application for permanent household goods authority until you change the name of your company or obtain permission from Mountain Co. Trucking, Inc., d/b/a Mountain Moving & Storage, to use a name similar to theirs.

I have enclosed a copy of WAC 480-15-390 and a list of existing household goods carriers for your convenience.

Please respond to this letter by November 14, 2008, or the commission will cancel your provisional authority to operate under THG-63388 and dismiss your application for permanent authority. If you have questions, please contact Tina Leipski at (360) 664-1170 or tleipski@utc.wa.gov.

Sincerely,

David W. Danner
Executive Director and Secretary
