RE: Cascade Natural Gas Corporation's 2010 Integrated Resource Plan (Docket UG-091967)

Enclosed for filing with the Washington Utilities and Transportation Commission is Cascade Natural Gas Corporation's 2010 Integrated Resource Plan. This IRP incorporates comments and input received on Cascade's draft IRP which was released in October 2010. The text includes main sections that cover demand forecasting, distribution system planning, supply side resources, demand side resources, resource integration, and the two-year action plan.

If you have any questions or comments, please contact me at (509) 734-4593.

Sincerely,

Katherine J. Barnard
