August 31, 2009	10,500,000
September 30, 2009	10,500,000
June 1, 2010	10,000,000
July 30, 2010	10,000,000
October 30, 2010	15,000,000
March 15, 2011	20,000,000
August 1, 2011	9,000,000
Total Prepayments	102,200,000

¹ Payment schedule as reflected in Appendix B of the 10TX-14570 Central Ferry Large Generator Interconnection Agreement, for the total estimated costs of the Network Upgrades and Interconnection Facilities associated with the construction of Central Ferry Substation.

² Prior to PSE's purchase of the remaining 50% interest in the Lower Snake River Wind Project development rights in August 2009, RES paid to BPA RES's portion of the prepayments for the Network Upgrades and Interconnection Facilities totaling \$8.85 million. Similarly, PSE paid to BPA \$8.35 million for PSE's portion of the prepayments for the Network Upgrades and Interconnection Facilities. PSE reimbursed RES for \$8.35 million of these prepayments at the time of the 100% interest purchase.
