February 17, 2011

Washington Utilities and Transportation commission
Attn. Patti Johnson

I like to ask you for extension till April 7, 2011 because I try to find new contractor. Previous contractor do not complete his job as you required. I already pay him 1000 \$. Please, give me time to find person that will be familiar with new regulations. I called Jerry Lee on February 15th, but I do not hear from him back yet.

Thank you,
Irina Robison owner
