RE: *In the Matter of a Penalty Assessment Against Legacy Long Distance International, Inc.*, Docket UT-120980

TO ALL PARTIES:

On July 31, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$2,100 against Legacy Long Distance International, Inc. (Legacy or Company), for violation of WAC 480-120-382. This rule requires competitively classified telecommunications companies to file annual reports with the Commission by May 1 each year.

On August 3, 2012, Legacy filed a form provided by the Commission requesting mitigation of the penalty.

On August 17, 2012, the Commission entered Order 01, Order Partially Suspending Penalty, Subject to Condition (Order 01). Order 01 suspended the penalty of \$2,100 assessed against Legacy in the amount of \$1,050 subject to the condition that Legacy files its 2012 annual report by May 1, 2013. Order 01 further states that if the Company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission.

Commission records indicate that Legacy did not timely file its 2012 annual report by May 1, 2013. Accordingly, Legacy Long Distance International, Inc., has not complied with the conditions under which the Commission suspended \$1,050 of the \$2,100 penalty assessment. The suspended penalty amount of \$1,050, therefore, is now due and payable.
