RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-121018

Dear Sir or Madam:

As you are aware, on August 1, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against United American Technology, Inc. in the amount of \$2,100 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the Commission by May 1 each year. United American Technology, Inc. filed its 2011 annual report on June 26, 2012, which is 56 days past the deadline. The Commission sent United American Technology, Inc. a Second Notice on September 5, 2012, and a Final Notice on October 10, 2012. On October 26, 2012, the Commission issued Order 01, denying a request for mitigation by United American Technology, Inc. The Commission sent United American Technology, Inc. another Final Notice on February 12, 2013.

The Commission has not received the \$2,100 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$2,100 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

ROBERT D. CEDARBAUM
Assistant Attorney General
