RE: Pacific Power and Light Company,
Biennial conservation plan (report) identifying its ten-year achievable
conservation potential and its biennial conservation target
Docket UE-132047

TO ALL INTERESTED PERSONS:

On November 1, 2013, Pacific Power and Light Company (PacifiCorp) filed with the Washington Utilities and Transportation Commission (Commission) a report concerning its ten-year achievable conservation potential for the period 2014-2023 and its biennial conservation target (Biennial Conservation Plan) for the period 2014-2015.

The report is required by RCW 19.285.040, WAC 480-109-010, and Order 02 in Docket UE-100170. WAC 480-109-010(4) provides that Commission staff and all interested persons may comment on a utility's ten-year achievable conservation potential or its biennial conservation target within thirty days of the utility's filing. The Commission, however, will exercise its discretion under WAC 480-07-110(1) to provide interested persons with additional time to comment on PacifiCorp's filing due to the heightened

public interest in the implementation of RCW 19.285 and because of the volume of material the Company submitted.

Written comments must be filed with the Commission no later than 5:00 p.m., **Tuesday, December 3, 2013**, and if possible, in electronic format. Electronic format should be on a CD or 3 ½ inch IBM formatted high-density disk, in .pdf Adobe Acrobat format. Please also send us the text in your choice of a .doc (Word 97 or later) format labeled with the docket number (UE-132047), the commenter's name and title and date of the comment or comments. Comments may also be submitted via the Commission's Web portal at www.utc.wa.gov/e-filing or by e-mail to the Commission's Records Center at records@utc.wa.gov. If you choose this means of submitting comments, please include all of the information requested above. The Commission will make available all comments provided in electronic form on the Commission's web site at www.utc.wa.gov. Documents will be posted within twenty-four hours of receipt.

Comments delivered by mail or courier should be addressed to: Steven V. King, Executive Director and Secretary, Washington Utilities and Transportation Commission, P.O. Box 47250, 1300 S. Evergreen Park Drive S.W., Olympia, WA 98504-7250.

The Commission will consider PacifiCorp's report at its recessed open meeting to be held on **Wednesday, December 18, 2013**. Interested persons may present oral comments at that open meeting, which is scheduled to start at 9:00 a.m. The meeting will be held at the Commission's headquarters, Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.

The Commission will consider all comments and determine whether additional scrutiny is warranted. The Commission also may establish an adjudicative proceeding or other process to fully consider appropriate revisions. Upon conclusion of its review, the Commission will approve, approve with conditions, or reject PacifiCorp's ten-year achievable conservation potential and biennial conservation target.

The report is available on the Commission's Web site at www.utc.wa.gov under Docket UE-132047.

Questions concerning PacifiCorp's report and Biennial Conservation Plan may be directed to Commission Staff, Jeremy Twitchell, at 360-664-1302; e-mail: jtwitche@utc.wa.gov.
