Re: TV-140270 – Issuing Permanent Household Goods Permit HG065297

Dear America's Elite, Inc.:

On February 18, 2014, America's Elite, Inc., d/b/a Elite Movers, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On February 26, 2014, the Commission approved the application in part and granted America's Elite, Inc. temporary authority to provide those services.

The Commission has determined that America's Elite, Inc. qualifies for permanent household goods carrier authority and approves the application in full. Permit HG065297 issued in the name of America's Elite, Inc. is enclosed, and the company may now operate on a permanent basis.

America's Elite, Inc. must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
