Subject: **TR-143702 – Columbia Basin Railroad**
Completion of Grade Crossing Protective Fund (GCPF) Project
Crossing safety upgrades at 3 NE Road in Moses Lake (USDOT 089818V)

On April 6, 2015, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$19,838.07 to the Columbia Basin Railroad (CBRR) for a project related to crossing safety upgrades. CBRR planned to replace the batteries and upgrade the motion sensor train detection at the 3 NE Road crossing in Moses Lake, Washington (USDOT #089818V). The estimated total project cost was \$19,838.07.

On June 8, 2015, CBRR submitted a request for reimbursement for the project. The actual total cost of the project was \$21,090.06. CBRR paid the overage above the grant amount. Rail Safety staff inspected the site on June 15, 2015, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
