RE: *Petition of Pacific Power & Light Company for an Accounting Order Authorizing Deferral of Costs Related to the Purchase of Unbundled Renewable Energy Certificates.*  
Docket UE-161067

Dear Mr. King:

Commission Staff has reviewed the compliance filing of Pacific Power & Light Company dated April 14, 2017, which includes the adjustment of Schedule 95 to recover the costs of unbundled renewable energy credits. The expected impact on customers by this change is an overall bill reduction of approximately 0.7 percent. Staff believes that the filing complies fully with the Commission's Order 01 entered February 9, 2017.

Sincerely,

Jason Ball
