Re: TV-161279 – Issuing Permanent Household Goods Permit HG067469

Dear RELO6 LLC:

On December 14, 2016, RELO6 LLC, d/b/a Two Men and a Truck, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On December 16, 2016, the Commission approved the application in part and granted RELO6 LLC temporary authority to provide those services.

The Commission has determined that RELO6 LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG067469 issued in the name of RELO6 LLC is enclosed, and the company may now operate on a permanent basis.

RELO6 LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
