Dear Mr. King,

For the Quarterly Reports package sent May 15, 2017 in accordance with the rules and regulations governing accounting for public service companies, Puget Sound Energy included a Microsoft Excel report presenting Sales of Gas activity for the Quarter ending March 31, 2017. The third and fourth worksheets of that report contained Sales of Electricity activity for the month and twelve months ended March 31, 2017 in error.

Attached with this filing, please find a revised Sales of Gas Report with the corrected Sales of Gas data for the month and twelve months ended March 31, 2017.

Please contact me at (425) 456-2105 should you have any questions.

Regards,

/s/ Susan Free
