Subject: **TR-180682 – City of Bingen**
Completion of Grade Crossing Protective Fund (GCPF) Project
Walnut Street – USDOT 090168N

On Aug. 16, 2018, the Washington Utilities and Transportation Commission (UTC) awarded a GCPF grant totaling \$19,084 to the City of Bingen (City) for a project related to modifying active warning devices at the Walnut Street crossing (USDOT 090168N). This crossing was identified in the 2014 Marine and Rail Oil Transportation Study as an under-protected crossing on an oil route. The actual cost of this portion of the project was \$231,829.87. WSDOT funds are covering the remaining project costs.

This crossing was identified in the 2014 Marine and Rail Oil Transportation Study as an under-protected crossing on an oil route.

On Jul. 15, 2019, the City submitted a request for reimbursement. Rail Safety staff inspected the crossing and confirmed that this portion of the project was completed according to the specifications outlined in the order approving the grant.
