RE: *In the Matter of the Penalty Assessment Against Tapani, Inc., in the Amount of \$5,000, Docket D-180903*

TO ALL PARTIES:

On November 29, 2018, the Washington Utilities and Transportation Commission (Commission) issued a penalty assessment (Penalty Assessment) against Tapani, Inc., (Tapani or Company) in the Amount of \$5,000 for one violation of RCW 19.122.030(2). In the Penalty Assessment, the Commission offered the Company the option to suspend, and ultimately waive, \$4,000 of the penalty subject to the following conditions: (1) the Company must pay \$1,000 of the penalty and notify the Commission that the Company accepted the offer within 15 days after receiving the Penalty Assessment; and (2) the Company may not commit any further violations of RCW 19.122 within 12 months of the date of the Penalty Assessment.

On December 21, 2019, the Company notified the Commission that it accepted the conditions, and on February 6, 2020, Commission staff (Staff) filed a letter informing the Commission that Tapani had met both of the conditions. In its letter, Staff recommended the \$4,000 suspended portion of the penalty be waived.

The Commission agrees that Tapani has complied with the conditions of the penalty suspension. The \$4,000 suspended portion of the penalty is thus waived, and this docket is closed.
