

Sunshine Disposal & Recycling

November 6, 2018

Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504-4720

Dear Mr. Johnson:

Enclosed is a proposed revision to Tariff 10.1 of Ada-Lin Waste Systems, Inc, d/b/a Sunshine Disposal & Recycling (G-104).

This proposal changes Item 230 to reflect the increased disposal rate at the Lincoln County and University Road Transfer Stations. If approved this change will increase revenue approximately \$2,500 or .3% on tariff revenue.

We also propose to add Graham Road Landfill rates to this tariff in order to offer this disposal option to our customers.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
