Re: 2018/Transportation and Disposal Fees

Dear: Mr. Gagnon

Harold LeMay Enterprises, Inc. respectfully requests the current transportation and disposal fees to be increased from \$69.71 per ton to \$80.00 per ton effective January 1st 2019.

It has been about 10 years since there was a price adjustment and we are increasing the price to keep in line with fuel, wages and disposal fees.

If you have any question or would like to discuss this further please feel free to call myself or Tom Rupert.

Sincerely,
