**Re: In the Matter of the Application of Puget Sound Energy for Transfer of Property –
Shuffleton Surplus Property – Do Not Redocket - Filed Electronically
Docket UE-190606**

Dear Mr. Johnson,

Puget Sound Energy (“PSE”) hereby submits in connection with Docket UE-190606 a cover letter to replace the cover letter accompanying PSE’s July 16, 2019 filing.

This substitute filing is being made to replace certain information that was included in the original cover letter. Namely, the revised cover letter replaces the estimated buyer’s sales costs with the estimated seller’s sales costs and it only presents the estimated pre-tax gain on the sale, as over time, it will be the pre-tax gain that is returned to customers upon Commission approval.

Please contact me for additional information about this filing.

Sincerely,

/s/ Susan Free
