**Re: Advice No. 2020-48
PSE Electric Tariff Revision - Filed Electronically**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) hereby submits in connection with Docket No. UE-200998 the following tariff sheets to replace the tariff sheets accompanying PSE’s December 18, 2020 filing which was submitted under PSE’s Advice No. 2020-48. This filing includes the following portion of the Company’s WN U-60 tariff for electric service.

Original Sheet No. 134-C – Schedule 134: Community Solar Project Services (continued)
Attachment “A” – Service Agreement to Electric Schedule 134

The purpose of this substitute filing is to update language in the tariff schedule sheets to amend the terms of Termination by Customer and the Schedule 134 Large Volume Community Solar Service Agreement Term. Additionally, a revised workpaper is being submitted with this filing to provide more clarity based on the feedback PSE received from WUTC Staff and other interested parties.

The tariff sheets described herein reflect an issue date of December 18, 2020, and an effective date of February 1, 2021. Posting of the proposed tariff change for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1). No notice is required under the provisions of WAC 480-100-194 or -195.

Please contact Veronica Martin at (425) 457-5624 or Emily Rich at (425) 456-2090 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.
