October 20, 2022

**NOTICE OF ERRATA RE NOTICE REQUIRING PETITIONS REQUESTING
APPROVAL OF FORECASTS PURSUANT TO RCW 70A.65.120**

RE: *Petitions Requesting Approval of Forecasts Pursuant to RCW 70A.65.120*

TO ALL INVESTOR-OWNED ELECTRIC UTILITIES:

On September 30, 2022, the Commission issued a Notice Requiring Petitions Requesting Approval of Forecasts Pursuant to RCW 70A.65.120 (Notice). The Notice required all investor-owned electric utilities to submit their petitions to the Commission by 5 p.m. on October 31, 2022.

It has come to the Commission's attention that the Notice erroneously requested forecasts for "the years 2023-2027 pursuant to RCW 70A.65.120 . . ." The correct forecast period as stated in RCW 70A.65.120 is January 1, 2023, through December 31, 2026.

The Commission hereby corrects all references in the notice to the forecast period to January 1, 2023, through December 31, 2026.

A handwritten signature in blue ink that reads "Amanda Maxwell".
