Re: UG-230929 - Quarterly Reports for the Quarter Ending September 30, 2023

Dear Mr. Killip:

In accordance with WAC 480-100-275 we electronically filed the natural gas Operating Reports for the quarterly period ending September 30, 2023 on November 14, 2023. Subsequently, it was discovered that the Company inadvertently excluded a required adjustment related to income taxes in the September 2023 Operating Reports. The Company is therefore filing the corrected September 2023 natural gas Operating Reports for the one month and twelve months' ending September 30, 2023. All other Operating Reports and materials submitted in the original filing on November 14, 2023 remain unchanged.

Please contact Marcus Garbarino at (509) 495-2567 should you have any questions.

Sincerely,

/s/ Paul Kimball
