RE: Red Mountain Water Association, LLC
Docket 240428 – New Tariff

Dear Mr. Killip;

Attached you will find the documents to facilitate the filing of a new tariff for Red Mountain Water. This submittal adjusts the effective date noted on the tariff sheets as August 1, 2024.

This new tariff references the pages to adjust rates as noted in the General Rate Case study.

This filing requests an increase in company revenues of \$17,907. This represents a 27.6 percent increase in the company's revenues. The most common service within the system is 1" service connections. The base rate for the 1" service would increase to \$27.25 from its current rate of \$21.00 (29.8%). The current rate of \$0.80 for 0-8000 gallons would increase to \$1.10 for Tier 1 usage of 0-28,000 gallons (37.5%). The current rate of \$1.00 for 8001-65,000 gallons would increase to \$1.45 for Tier 2 usage of 28,001-175,000 gallons (45.0%). The current rate of \$1.23 for over 65,001 gallons would increase to \$1.65 for Tier 3 usage over 175,001 gallons (34.1%).

The public water system identification number, 060917, is set out on Tariff Sheet No. 20 which is included in the new submittal for Red Mountain Water's Tariff.

The company respectfully requests the Commission's approval and filing of the revised tariff sheets.

If you have any questions concerning this matter, please contact the undersigned.

Sincerely,

Paul Christensen
