Re: Docket UG-240881, NW Natural Tariff Schedule Revisions Compliance Filing

Mr. Killip,

On December 18, 2024, Northwest Natural Gas Company filed sheet revisions to Tariff WN U-6 for Rate Schedules 1, 2, 3, 27, 41, 42, and 43. The foregoing Rate Schedules are being updated to reflect changes in rates corresponding to approval of Rate Schedule 231 during Open Meeting on December 19, 2024. The proposed effective date for these revisions is January 1, 2025.

Pursuant to WAC 480-07-880(4), Commission Staff provides this letter as notice that these revisions were reviewed for compliance and are found to be in accordance with Commission direction and will result in rates that are fair, just, reasonable, and sufficient. Consequently, Commission Staff requests a compliance acknowledgment be provided pursuant to WAC 480-07-880(2) thereby allowing the revised Rate Schedules to become effective January 1, 2025.

Thank you kindly for your attention to this matter.

Respectfully,

Kody McConnell
