**NOTICE OF OPPORTUNITY TO RESPOND TO PETITION TO INTERVENE
(By April 11, 2008)**

RE: *In the Matter of the Petition of QWEST CORPORATION For Commission Approval
of 2007 Additions to the Non-Impaired Wire Center List,
Docket UT-073033*

TO ALL PARTIES:

On April 4, 2008, Cbeyond Communications LLC filed with the Washington Utilities and Transportation Commission (Commission) a Petition to Intervene in this proceeding.

The Commission's rule, WAC 480-07-355, provides that parties may respond to petitions to intervene and that responses may be either oral or written. The rule establishes a deadline for the submission of responses unless the Commission establishes a different deadline.

The Commission concludes that it would aid in the efficient and expeditious use of the parties' and Commission's time if the Commission had sufficient information to rule on the petition in advance of the prehearing conference scheduled to convene April 17, 2008. Accordingly, any party may file a written response to the petition to intervene by April 11, 2008.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
